

Exposure to Chemical Agents Working Group

Co-Chair: Larry L. Needham, PhD, National Center for Environmental Health, CDC, DHHS
Co-Chair: Haluk Ozkaynak, PhD, MS, National Human Exposure Research Laboratory, EPA
Co-Chair: Robin M. Whyatt, DrPH, Department of Environmental Health Sciences, Mailman School of Public Health, Columbia University
ICC Liaison: James J. Quackenboss, MS, National Exposure Research Laboratory, EPA
NCSAC Liaison: P. Barry Ryan, PhD, Department of Environmental and Occupational Health, Rollins School of Public Health, Emory University

Members

Gerry G. Akland, MS
Tina Bahadori, ScD, Long-Range Research Initiatives, American Chemistry Council
Dana B. Barr, PhD, National Center for Environmental Health, CDC, DHHS
Asa Bradman, PhD, Center for Children's Environmental Health Research, School of Public Health, University of California, Berkeley
Roy Fortmann, PhD, National Exposure Research Laboratory, EPA
L.-J. Sally Liu, ScD, Department of Environmental Health, University of Washington
Scott A. Masten, National Institute of Environmental Health Sciences, NIH, DHHS
Maria Morandi, PhD, School of Public Health, University of Texas-Houston Health Science Center
Luke P. Naeher, PhD, College of Agricultural and Environmental Sciences, University of Georgia
Mary Kay O'Rourke, PhD, Environmental and Community Health, Zuckerman Arizona College of Public Health, University of Arizona, Tucson
Kent W. Thomas, BSPH, National Exposure Research Laboratory, EPA
Richard Y. Wang, DO, National Center for Environmental Health, CDC, DHHS
